Dear Mr Sigman,

I am honored by your consideration and by the distinguished Award that the Union League has chosen to bestow upon me.

This recognition is not only a personal honor but also a tribute to the values and dedication of the men and women of the Italian Army in safeguarding the security framework that allows our international community to thrive in freedom and peace.

It is with great pleasure that I confirm my attendance at the Luncheon at the Union League of Philadelphia that will be held on 20 October 2025.

I look forward to seeing you in Philadelphia and avail myself of this opportunity to address you and the Union League my best wishes of success in all your future initiatives.

Yours sincerely

Lt Gen Carmine MASTELLO
